FOR IMMEDIATE RELEASE:

Fort Wayne, IN

Park Lawn Corporation selects Inman Shipping Worldwide as their preferred transportation partner

Inman Shipping Worldwide, the experts in the transportation of human remains, has been selected Park Lawn Corporation's preferred shipping partner.

Inman will provide shipping services both domestically and internationally for Park Lawn locations, which serve thousands of families annually at their funeral homes, cremation centers and cemeteries nationwide. This will provide locations with a one-call solution for all their shipping needs enabling to spend more time with the families they serve.

"We are thrilled to partner with Park Lawn Corporation and its family of world-class facilities," states Dave McComb, owner and CEO of Inman Shipping Worldwide. Park Lawn has established itself as an industry leader and we are proud to partner with them to enhance the service they provide families moving forward."

"Inman Shipping Worldwide offers everything we need in a true national partner," added [Jay Dodds] of Park Lawn Corporation. "They are the experts in the shipment of human remains thanks to their successful service model and expert customer service team. Most importantly, their partnership enables all our businesses to focus on our core competency – serving families."

About Park Lawn Corporation

PLC provides goods and services associated with the disposition and memorialization of human remains. Products and services are sold on a pre-planned basis (pre-need) or at the time of a death (at-need). PLC and its subsidiaries own and operate businesses including cemeteries, crematoria, funeral homes, chapels, planning offices and a transfer service. PLC has a North American wide platform with operations in five Canadian provinces and twelve US states.

About Inman:

Since 1978, Inman has become the expert in the shipment of human remains domestically and internationally! Inman has over 450 representatives throughout the United States and abroad. We **guarantee our domestic price** and the quality of service that we provide. Being the oldest continuous shipping service in the United States, we are often copied, but are never equaled. Funeral directors have called on us with complete confidence for many decades. Whatever the assignment, we will perform it in the manner you would expect.
